David:

To benefit most of the participants, we propose to hold the NOV conference on 8/5 in the NW Indiana regional office in Merrillville, IN. We would start the meeting at 10:00. Is this plan alright with you?

 of Violation

Mr. Dickens:

Per the email message below, U. S. Steel is confirming that it is available to meet with USEPA and IDEM on Tuesday, August 5th. Per our discussion yesterday, I understand that IDEM would be participating and that USEPA would contact IDEM accordingly. If this is inconsistent with your understanding, please let me know. Please confirm USEPA's and IDEM's availability.

U. S. Steel Gary Works Notice
 of Violation

Mr. Dickens:

Thank you for speaking with me regarding the NOV received by U. S. Steel on July 3, 2008. My contact information is provided below. As we discussed during our brief telephone conversation this afternoon, U. S. Steel is requesting that a conference be held to address the allegations in the NOV. While our schedules conflict the next few weeks, we agreed to tentatively schedule a conference on Tuesday, August 5th ~ 9:30 AM - pending the availability of required USEPA and U. S. Steel personnel.
